If you received a grade of "NR", your instructor did not report grades. Please contact the instructor for assistance.

 This is NOT an official transcript. Courses which are in progress may also be included on this transcript.

The "PASSED HOURS" column should be ignored. It is used for calculations by the Board of Regents and is not a true indicator of passed hours. Students should view "EARNED HOURS" instead.

The last column ("R") indicates repeated courses. **If an "E" is in the last column, the grade has been excluded as a result of the grade substitution policy. All grades received at Georgia Tech are included in GPA calculation with the exception of those removed via grade substitution. Click this [Grade Substitution](#) link to review the policy.
